TESTIMONY F. M. NORTH CAROLINA.

Certifica (L. of Dr. W. Smith, of Pine Hill, Rich mond County, North Carolina.

Park Hill, March 4, 1854.

Drar Sir: I have been a subject of Dyspepsia, in its worst form, for the last five years. Such was my condition for twelve months that the physicians and all who saw me said I must die. While in this condition, I was carried to the watering pieces in Virginia, Tennessee, and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Enthertordton, a small willage in North Carolina, but was not benefited by any water in that place. About the last of the week I went into a drug store to get some medicine for my child and myself. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after saking me some questions, said he had been a dyspeptic, and had been greatly benefited by the use of "Hoofiand's German Bitters," overgared by yen, and he insisted that I would try the Bitters. He also called the next day at my from, and insisted an much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefities by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, he a dyspeptic,) and I gave him nearly all the Bitters I had left, which effected much good in his case. He has eften called on me for more of the same kind of medicine, saying he was more benefited by it than any other he had faken, but I have not been able to get any more for him or myself since. Will you, therefore, please ship me a dozen or more as soon as possible.

Respectfully, yours,

Dr. C. M. Jackson, Philadelphia.

D. R. Hooker, Roger's Store, Wake county, North Carolina, October 24, 1863, says:

"Having experienced very great benefit from the use of Hoofand's German Bitters, in Chronic Dysentery and Functional Derangement of the Liver, and its concomitant evils, I am desirous of obtaining a quantity of it for the benefit of my community. You will, therefore, please send a lot, 20."
